

101 reasons to use Harrison Clark

Knocking spots off the competition with Harrison Clark Solicitors

Harrison Clark are a forward thinking firm of solicitors. They wanted to break away from the visual language used in their industry sector while remaining professional and reflecting their core values. They wanted a brand that stands out, gets people talking, raises and enhances their profile and gives them a more tangible personality.

Sperm created the Dalmatian concept to resonated with Harrison Clark's characteristics of being likeable, loyal and full of energy.
